## Covid Protocols in school:

To ensure we are keeping our pupils, families and staff safe, we need to make sure we are all taking an active part on reducing transmission. Therefore, we would appreciate it if everyone could follow the guidelines below:

- There **must** be just **one** adult per household dropping off and picking up children.
- When in the school site, please wear a mask (unless you are medically exempt).
- Please continue trying to maintain a 2m distance between yourself and other people
- Please do not congregate in the school grounds at the end of the day
- For parents evenings next week, please come wearing a facemask and we ask that only one parent or carer attend to reduce the number of people in the school at one time. . If you would prefer a phone conversation, please let the office know.
