

Pimlico Primary School's Sports Funding 2017-2018

What is the Sports Premium funding?

The Government provides funding to improve the provision of physical education (PE) and sport in primary schools. The sport funding can only be spent on sport and PE provision in schools. OFSTED play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. Pimlico Primary has received £17,010 in the school year 2017/2018.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, through:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils in after school sport clubs and holiday clubs.

Pimlico Primary uses the Sports funding to:

- Increase the skill level of staff in the delivery of quality P.E. teaching: staff work alongside specialist sports teachers, supporting their professional development (£10,300)
- Buy exciting and stimulating resources to facilitate the teaching of PE (£1,000)
- Run inter-school sports competitions (£500)
- Subsidise active clubs in the school holidays (£300)
- Subsidise active before and after-school clubs (£1700) and Saturday Sport (£500)
- Run organised, active games at playtime, based on My Time Active training (£2710)

Impact of the funding:

- Raising the standard of teaching and learning in PE through modelling lessons, team teaching and lesson observation
- A greater variety of different sports are now offered
- We have a high take-up of sports clubs and after school activities
- Increasing participation in sport across the school
