Term with a normal 3:30pm finish.

Children's Mental Health Week

Children's Mental Health Week is run by children's mental health charity Place2be and it's celebrated every year to focus on the importance of looking after our emotional wellbeing from an early age.

From **7-13th February** schools, youth groups, organisations and individuals across the UK will take part in Children's Mental Health Week.

This year's theme is **Growing Together**.

Growing together is about growing emotionally and finding ways to help each other grow. Challenges and setbacks can help us to grow and adapt and trying new things can help us to move beyond our comfort zone and make us more resilient.

Next week, children will be focusing on the importance of growing together in their PSHE lessons and in our assembly.
